AGREEMENT

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and intending to be legally bound, the parties to this First Supplemental Indenture hereby agree as follows:

Section 1. **Defined Terms.** Capitalized terms used herein and not otherwise defined herein are used as defined in the Indenture.

Section 2. **Amendments to Indenture.**

(a) The definition of Consolidated EBITDA set forth in Section 1.01 of the Indenture is hereby amended and restated in its entirety as follows:

“**Consolidated EBITDA**” means, for any applicable period, the sum of Consolidated Net Income (exclusive of all amounts in respect of any gains and losses realized from Dispositions other than inventory Disposed of in the ordinary course of business), (i) plus the sum, without duplication, of interest expense, depreciation, amortization, non-cash stock-based compensation expenses, any one-time moving expense, any losses from an early extinguishment of indebtedness, acquisition-related expenses, whether or not such acquisition is successful, non-cash changes in the valuation of assets and liabilities as required under GAAP and transaction fees, costs and expenses related to any issuance of equity or debt securities, whether or not successful, and (ii) minus the sum, without duplication, of operating expenses capitalized during such period and to be expensed in a future period to the extent that such expenses were not deducted in determining Consolidated Net Income and would have been deducted in determining Consolidated Net Income if they were not capitalized.

(b) The definition of Conversion Rate set forth in Section 1.01 of the Indenture is hereby amended and restated in its entirety as follows:

“**Conversion Rate**” means: 76.9230769231 shares of Common Stock per \$1,000 of the sum of principal amount of Notes plus accrued interest thereon plus the Make-Whole Amount related thereto,

subject to adjustment as set forth herein, which such Conversion Rate shall be increased and only increased on each Reset Date to equal the greater of (i) 76.9230769231 per \$1,000 of the sum of the principal amount of Notes plus accrued interest thereon plus the Make-Whole Amount related thereto, subject to adjustment as set forth herein, and (ii) the number of shares of Common Stock per \$1,000 of the sum of the principal amount of Notes plus accrued interest thereon plus the Make-Whole Amount related thereto obtained by dividing \$1,000 by 105% of the applicable Market Price; *provided, however*, in no event shall the Conversion Rate be greater than 181.818181 per \$1,000 of the sum of the principal amount of Notes plus accrued interest thereon plus the Make-Whole Amount related thereto, subject to adjustment as set forth herein. The Company shall notify the Holders, the Trustee and the Conversion Agent of the applicable adjustment to the Conversion Rate as of such date (each notice, a “**Reset Date Adjustment Notice**”). For purposes of clarity, whether or not the Company provides a Reset Date Adjustment Notice, the Holders shall receive a number of shares of Common Stock and retain a principal amount of its Note, plus accrued interest thereon plus the Make-Whole Amount related thereto, based upon the Conversion Rate as adjusted pursuant to this definition, regardless of whether the Holder accurately refers to such Conversion Rate of principal amount of its Notes plus accrued interest thereon plus the Make-Whole Amount related thereto converted in any Conversion Notice. Any adjustment to the Conversion Rate shall be effective on the applicable Reset Date.

(c) The definition of Outstanding set forth in Section 1.01 of the Indenture is hereby amended to amended and restate clause (iii)(B) therein as follows:

(B) Notes converted pursuant to Article 4 hereof, on and after their Conversion Date, and Notes redeemed pursuant to Section 2.01 or Article 10 hereof, on and after their applicable redemption date,

(d) The definition of Permitted Indebtedness set forth in Section 1.01 of the Indenture is hereby amended and restated in its entirety as follows:

“**Permitted Indebtedness**” means (a) the indebtedness evidenced by the Notes, (b) the Indebtedness existing on the Original Issue Date and set forth on Schedule 3.01(bb) attached to the Purchase Agreement, (c) lease obligations and purchase money indebtedness of up to \$3,000,000, in the aggregate, incurred in connection with the acquisition of capital assets and lease obligations with respect to newly acquired or leased assets used in manufacturing the Company’s and its Subsidiaries’ products, (d) indebtedness that (i) is expressly subordinate to the Notes pursuant to a written subordination agreement with the Holders that is acceptable to each Holder in its sole and absolute discretion and (ii) matures at a date later than the 91st day following the Maturity Date, (e) financing for premiums on general business or director and officer insurance up to \$3 million per calendar year, and (f) the Subordinated Debt.

(e) The second paragraph of Section 2.01 of the Indenture is hereby amended and restated in its entirety as follows:

The Notes shall be known and designated as “Senior Secured Convertible Notes due 2025” of the Company. The Company shall repay to Holders the aggregate outstanding principal amount of the Notes in consecutive quarterly installments equal to \$847,990 (each such payment, a “**Mandatory Redemption**”) on January 1, April 1, July 1 and October 1, commencing with October 1, 2024 (each, a “**Mandatory Redemption Date**”), until the earlier of the Maturity Date or the Notes no longer being Outstanding because earlier repaid, purchased or converted in accordance with this Indenture. The Outstanding principal amount of the Notes shall be payable on the Maturity Date.

In connection with any Mandatory Redemption, the Company shall deliver to the Trustee at least 15 Business Days prior to the applicable Mandatory Redemption Date (or such shorter period as shall be satisfactory to the Trustee) a notice of Mandatory Redemption and an Officer's Certificate requesting the Trustee to deliver such notice to the Holders. Upon receipt of such Officer's Certificate and notice of Mandatory Redemption, the Trustee shall deliver such notice of Mandatory Redemption to Holders of the Notes at least ten (10) Business Days before the Mandatory Redemption Date. Such notice shall be prepared by the Company and shall state (a) the Mandatory Redemption Date; (b) the aggregate principal amount of Notes to be mandatorily redeemed; (c) that, on Mandatory Redemption Date, the principal called for Mandatory Redemption will become due and payable; (d) that the Notes must be surrendered to the Paying Agent to collect the principal amount due to such Holder in connection with the Mandatory Redemption; (e) the place or places where such Notes are to be surrendered to the Paying Agent in connection with the Mandatory Redemption; (f) upon surrender of the Notes and consummation of the Mandatory Redemption, the aggregate principal amount of the Notes that will remain outstanding; and (g) that, upon surrender of a Holder's Note in connection with such Mandatory Redemption, a new Note in principal amount equal to the unredeemed portion thereof shall be issued to such Holder. Any notice of Mandatory Redemption, if delivered in the manner herein provided, shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, failure to give such notice of Mandatory Redemption by mail or any defect in any such notice to the Holder of any Note designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Note.

Regardless of whether the notice described in the preceding paragraph has been sent, the amount of the Notes subject to such Mandatory Redemption shall become due and payable at office of the Paying Agent on the Mandatory Redemption Date. On presentation and surrender of the Notes at the office of the Paying Agent, the Notes shall be paid and redeemed by the Company. Prior to the open of business on any Mandatory Redemption Date the Company shall deposit with the Trustee (or other Paying Agent appointed by the Company) or, if the Company or a subsidiary of the Company is acting as the Paying Agent, shall segregate and hold in trust as provided in Section 5.03(b), an amount of cash (in immediately available funds if deposited within three (3) Business Days prior to the Mandatory Redemption Date) sufficient to pay the amount of principal due on the Mandatory Redemption Date, plus accrued and unpaid interest thereon to, but excluding the Mandatory Redemption Date. Subject to receipt of funds by the Paying Agent, payment for the Notes to be redeemed shall be made on the Mandatory Redemption Date for such Notes.

In connection with a Mandatory Redemption, in the case of a Global Note, the Notes or portions thereof to be redeemed (in principal amounts of \$1.00 or multiples thereof) shall be selected according to the applicable procedures of the Depositary, or, in the case of Physical Notes, the Notes to be redeemed (in principal amounts of at least \$1.00 or \$1.00 multiples in excess thereof) shall, upon written request of the Company, be selected by the Trustee by lot or by any other method the Trustee in its sole discretion deems fair and appropriate. The Company shall notify the Trustee in writing of the percentage of aggregate principal amount of the Notes Outstanding to be redeemed in connection with such Mandatory Redemption. The Trustee shall promptly notify the Company in writing of the Notes or portions of the Notes to be called for such Mandatory Redemption. If any Note selected for partial Mandatory Redemption is submitted for conversion after such selection, the portion of the Note submitted for conversion shall be deemed (so far as may be possible) to be the portion selected for such Mandatory Redemption (and the amount due in connection with such Mandatory Redemption will be reduced accordingly), subject, in the case of Notes represented by a Global Note, to the Depositary's applicable procedures.

(f) Section 5.17(a) of the Indenture is hereby amended and restated in its entirety to read as follows:

(a) Minimum EBITDA. The Company and its Subsidiaries shall not permit the Consolidated EBITDA as of the last day of any fiscal quarter of the Company, calculated for the period of four (4) consecutive fiscal quarters ended on such date, to be less than (i) for the fiscal quarters ending June 30, 2023, September 30, 2023 and December 31, 2023, (\$12,500,000), (ii) for the fiscal quarters ending March 31, 2024, June 30, 2024, September 30, 2024 and December 31, 2024, (\$10,000,000) and (iii) for the fiscal quarter ending March 3, 2025 and thereafter, (\$7,500,000).

AGREEMENT

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and intending to be legally bound, the parties to this First Supplemental Indenture hereby agree as follows:

Section 1. **Defined Terms.** Capitalized terms used herein and not otherwise defined herein are used as defined in the Indenture.

(b) The definition of Conversion Rate set forth in Section 1.01 of the Indenture is hereby amended and restated in its entirety as follows:

“**Conversion Rate**” means: 86.95652173913043 shares of Common Stock per \$1,000 of the sum of principal amount of Notes plus accrued interest thereon plus the Make-Whole Amount related thereto, subject to adjustment as set forth herein, which such Conversion Rate shall be increased and only increased on each Reset Date to equal the greater of (i) 86.95652173913043 per \$1,000 of the sum of the principal amount of Notes plus accrued interest thereon plus the Make-Whole Amount related thereto, subject to adjustment as set forth herein, and (ii) the number of shares of Common Stock per \$1,000 of the sum of the principal amount of Notes plus accrued interest thereon plus the Make-Whole Amount related thereto obtained by dividing \$1,000 by 105% of the applicable Market Price; provided, however, in no event shall the Conversion Rate be greater than 222.2222222 per \$1,000 of the sum of the principal amount of Notes plus accrued interest thereon plus the Make-Whole Amount related thereto, subject to adjustment as set forth herein. Any adjustment to the Conversion Rate shall be effective on the applicable Reset Date.
